Dear Kindergarten Parents,

Here is the snack list for the second semester of this school year. You are asked to provide snacks for the class for a week. There are 15 children in the class at this time. The snacks do not have to be fancy or expensive. I do stress healthy and nutritious snacks. Please try to send fruits, vegetables, crackers with peanut butter or cheese, popcorn, graham crackers, etc. Please send a small package of napkins, too. If the week I have given you will not work, just let me know.
